#### Special Benefits of the International Graduate School

##### [ ISP ]

- Most ISP lectures are conducted in English (Certain lectures are conducted in Korean and in Chinese)
- Provides a comprehensive education in multiple areas including global business, economics and international relations, international development cooperation, global border studies, and an opportunity to interact with students from various backgrounds
- Offers a wide range of study abroad programs and internships
  - Student exchange programs (Monterey Institute of International Studies, Fudan University, Shandong University, etc.)
  - Study abroad programs (Hokkaido University Summer School Border Studies, etc.)
  - Internship programs (The Washington Center, University of Yangon of Myanmar, etc.)
- Participates in the KGSP (Korean Government Scholarship Program) run by NIIED (National Institute for International Education)
- Provides a broad range of scholarships
  - Entrance scholarship, academic scholarship, International Students Award, study abroad scholarships, Korean government scholarship, scholarship for direct descendants of CAU family, research assistant scholarship, volunteer scholarship, scholarships from foundations to foster international talent
- Offers various business forums featuring special guests from home and abroad
- ISP graduates have terrific job prospects, often working for major government agencies, conglomerates and financial institutions

### [ AITP ]

1. The only creative convergence program that combines international studies with interpretation and translation in Korea
2. A unique curriculum reflecting recent field trends
  - Interpretation and translation technology classes tailored for the age of AI
  - Localization & Post-editing classes
  - On-site & Video Mock Conference classes
  - Free CAT certification test (Trados, Memsource, etc.)
  - Special foreign language emcee classes
  - Digital content translation and a "Localization Specialist Training Program" run jointly with MstoryHub
  - Multi-language translation corpus covering broadcasting and other specialized fields (AI-learning data-building program)
3. State-of-the-art interpretation and translation facilities
4. Various study abroad programs and internships
  - Student exchange programs (Monterey Institute of International Studies, Fudan University, Shandong University, Lomonosov Moscow State University, etc.)
  - Internship programs (The Washington Center, University of Yangon of Myanmar, etc.)
  - WIPO terminology research project (for enrolled students)
5. Provides a wide range of field experience through globalized learning environments and industry-university-institute collaboration
  - MOU with Samsung Electronics for the joint development of translation and interpretation, language education, applications and content for the Galaxy Tab
  - Provides professional training opportunities, including Gyeonggi Province medical coordinator training
  - MOU with MstoryHub for field experience in digital content translation
6. CAU Interpreting and Translation Research Institute and the Center for Interpreting and Translation
  - Holds translation and interpretation conferences along with interpretation and translation-related research projects, and also publishes academic journals and papers
  - Large-scale projects with government agencies, conglomerates, and research institutes: Translation project for the 2030 Busan World Expo, International Labour Organization, translation project with the United Nations Food and Agriculture Association, simultaneous interpretation project with the Korea Public Policy Broadcasting Service, etc.
7. Provides a broad range of scholarships (Entrance scholarship, academic scholarship, International Students Award, study abroad scholarships, scholarship for direct descendants of CAU family, research assistant scholarship, volunteer scholarship, scholarships from foundations to foster international talent)
8. AITP graduates have terrific job prospects (World Bank, the American Chamber of Commerce, Samsung Electronics, Bank of Korea and more)
9. Hosts and provides simultaneous interpretation opportunities in various business forums featuring special guests from home and abroad
